TRUSTEE TREASURER RECRUITMENT PACK

GCS

GLOUCESTERSHIRE 
COUNSELLING SERVICE

ABOUT GCS

Gloucestershire Counselling Service (GCS) is Gloucestershire's leading counselling charity, delivering services to the community since 1978. With over 60 clinical staff and 40+ volunteers, we deliver counselling services both from our counselling rooms based around the county and remotely, as well as training in counselling skills and counselling qualifications.

WELCOME

I am delighted that you are interested in joining the GCS trustee team.

We are committed to empowering people to make positive changes in their lives and believe that counselling is how this can happen. We are looking for a new Chair to lead the charity through the next stage of our journey.

We have a longstanding legacy, being formally founded as a charity in 1984 and are Gloucestershire's largest counselling charity that offers counselling services to adults & children. We have grown significantly as an Organisation over the past five years and have played a key role in the COVID response to the mental health crisis and continue to see demand for our services rise. With recent ONS data suggesting 25% of the population feels anxious, there is clearly plenty for GCS to do! GCS has been on a journey of professionalisation and is well equipped to respond to the challenges of being a middle-income charity within a complex and challenging environment. GCS is moving forward with passion and commitment and as our Chair, you will help us.

We are committed to ensuring that we reach further into the communities of Gloucestershire and continue to provide the access to counselling services that we are extremely proud of.

As our Treasurer, you will help us shape the way we work and deliver on our vision. We want to harness your experience and insight as we drive forward on our mission. Together we can champion and action our belief that counselling plays a powerful role in enabling change.

If you would like to join us, please get in touch!
